Campus

## ***Introduction***

BUCM was officially approved and established in 1956 by the Ministry of Education in China. BUCM has qualified teaching staff mainly generated by famous experts and scholars in China and abroad. BUCM has accumulated rich management and teaching experiences from successful cooperation with overseas universities.

## ***Location***

The BUCM has the east and west campuses. The public service systems and assistant teaching organizations such as Library, Information Center, Museum of Chinese Herbs, Museum of the History of Chinese Medicine, and Educational Technology Center are also included in the university.

## ***International students***

In September 2006, there were about 10 000 students in total. Foreign students have been trained in the university from 1957. In 2006, 1,381 foreign students studied in the university, among them 1062 were undergraduates, 169 were master or doctoral degree candidates, 109 were general or senior scholars.
